Community Service for Seniors

In Doing Good & Having Fun, on August 2, 2023, the Pearland Club was happy to donate a commercial sized box of Pepperidge Farms Goldfish to ActionS, Inc. of Brazoria County. The Goldfish packages were distributed to senior citizens throughout Brazoria County.

Cupcakes for Seniors

In recent club meetings, our board has decided to commit to a new project in service to our senior citizens. We will be providing cupcakes to Brookdale Senior Living. Our first "trial run" for the project was on August 12, 2023, and was delivered by two of our members, Debra & Bart Hebert, along with Debra's brother and sister-in-law. It was the birthday of Mary Armstrong, an Exchange Club of Hobby Airport Area Charter Member and Charter President Elect. Debra reported at our September 6th meeting that everyone was very excited to have a birthday celebration and cupcakes. We are excited about this new project and look forward to sharing birthday joy with all of the residents of Brookdale.

2023 Pearland Prayer Walk

Submitted by Michelle Holmes, 2023 Pearland Prayer Walk Chair:

On August 20, 2023, The Exchange Club of Pearland was happy to be a part of the 2023 Pearland Prayer Walk. Over 600 people gathered at Berry Miller Junior High for the kickoff. Our club was selected to pray over St. Helen's Catholic School. Michelle Holmes and Jennifer Perry led the prayer time at the school and we had several people from the church and school that also participated. It was an amazing time and our club looks forward to participating in our communities to make an impact, a difference, and to be the light. Thank you to all of our club members and guests that participated. Michelle Holmes, Buck Stevens, Jennifer Perry, Cassidi Corl, and Jon Currie.

Labor day and 9/11 flags with pride projects

The Pearland Flags with Pride project is ongoing throughout each year. Thanks to our partnership with the City of Pearland, American Flags are purchased by The Exchange Club of Pearland and installed for each flag holiday. The flags were installed for the Labor Day holiday and left through the week of 9/11. It's always a good feeling to see the flags as we travel up and down FM518 and know that our club is responsible for them being there.
